

MARKET DATA RISK; WAIVER OF LIABILITY; LIMITATION OF LIABILITY

The customer acknowledges that each participating national securities exchange or securities association asserts a proprietary interest in all of the market data it furnishes to parties that disseminate said data. Customer understands that neither Light Horse Securities, Inc nor any participating national securities exchange or association nor any supplier of market data guarantees the timeliness, sequence, accuracy, completeness, reliability, or content of market information, or messages disseminated to or by any party. The customer understands that neither Light Horse nor any supplier of market data warrants that the service will be uninterrupted or error-free.

Customer agrees that Customer's use of Light Horse's website or any service offered by Light Horse is at customer's sole risk. All the data is provided on an "as is", "as available" basis without warranties of any kind, either express or implied, including, without limitation, those of merchantability and fitness for a particular purpose. Neither Customer nor any other person shall hold any Disseminating Party liable in any way for any inaccuracy, error or delay, or omission of any such data, information or message, or the transmission or delivery of any such data information or message any loss or damage arising from or occasioned by

1. any such inaccuracy, error, delay, or omission,
2. non-performance, or
3. interruption in any such data, information or message, whether due to any negligent act or omission by any Disseminating Party, or to any "force majeure" (e.g., flood, extraordinary weather conditions, earthquake, or other act of God, fire, war, insurrection, riot, labor dispute, accident, action of government, communications or power failure, or equipment or software malfunction) or other cause beyond the reasonable control of any Disseminating Party.

The Market Data is believed to be reliable, but neither Light Horse nor Market Data providers ("Market Data Providers") can guarantee the accuracy, completeness, timeliness, or correct sequencing of the market data.

Furthermore, the Customer agrees not to hold Light Horse or Market Data Providers liable for interruptions in the availability of market data or the Customer's access to market data. Customer agrees to hold harmless and indemnify Light Horse its officers, directors, employees, agents, and affiliates and those officers, directors, employees, agents, and affiliates of the Market Data Providers from any liability with respect to interruptions in the availability of market data, Customer's access to market data, lost profits, trading losses, or any other damages.

Light Horse will make all reasonable efforts to notify users in advance of service interruptions caused by system maintenance and updates and retains the right to suspend or terminate part of or the whole of its network services without prior notice to users. Light Horse does not bear any legal liability for any loss arising from any service suspension or termination.

Third-party Data provided on Light Horse applications does not reflect the views of Light Horse. The Light Horse product features are designed for informational purposes only and are not intended to serve as recommendations to customers to buy or sell any securities.

All investments involve risk, and the past performance of any security or financial product does not guarantee future results or returns. While diversification may help spread risk, it does not assure a profit or protect against loss. There is always the potential to lose money when you invest in securities or other financial products. Investors should consider their investment objectives and risks carefully before investing.

Light Horse currently utilizes Nasdaq, Inc for its market data. Nasdaq, Inc. and its subsidiaries and affiliates ("Nasdaq") shall not be liable to users, regardless of the cause (unless resulting from the gross negligence or willful misconduct of Nasdaq) or duration, for any errors, inaccuracies, omissions, or other defects in, or untimeliness or inauthenticity of the market data, or for any delay or interruption in the transmission thereof to users, or for any claim or loss arising therefrom or occasioned thereby.
